# BUILT-IN WINE COOLER

## JC-22A

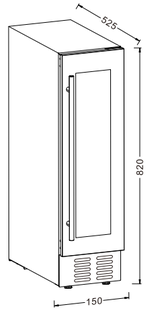

**Features**

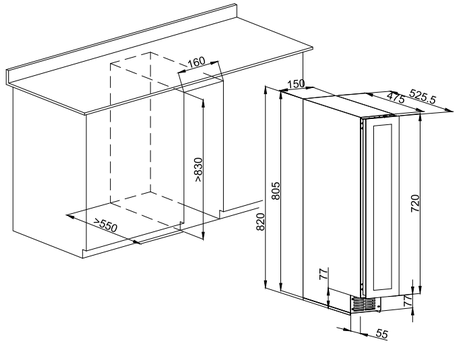

Net Capacity: 22L
Built-in or Free-standing installation
Single temperature zone / Fan cooling
Temperature range: 5-20°C(41-68°F)
Hold 9 bottles
Stainless steel / Black glass door frame / Grip handle
Integrated wooden shelf + metal
Smart touch screen control with LED display
Temperature memory / Soft interior LED light
Bottom plinth ventilation / Reversible door

**Dimension**

Unit dimensions (WxDxH): 150x525x820 or 870mm
Pack dimensions (WxDxH): 190x570x863 or 910mm
20'/40'/40'HC: 292/612/755pcs

## JC-58A

**Features**

Net Capacity: 58L
Built-in or Free-standing installation
Single temperature zone / Fan cooling
Temperature range: 5-20°C(41-68°F)
Hold 19 bottles
Stainless steel / Black glass door frame / Grip handle
5+1 Beech wooden shelves
Smart touch screen control with LED / LCD display
Temperature memory / Soft interior LED light
Door open alarm / Bottom plinth ventilation
Reversible door / Activated charcoal filter

**Dimension**

Unit dimension (WxDxH): 295x578x820 or 870mm
Pack dimension (WxDxH): 332x625x863 or 910mm
20'/40'/40'HC: 144/305/399pcs

## JC-58B

**Features**

Net Capacity: 58L
Built-in or Free-standing installation
Dual temperature zone / Fan cooling
Temperature range: 5-12°C(41-54°F) /12-20°C(54-68°F)
Hold 16 bottles
Stainless steel / Black glass door frame / Grip handle
4+1 Beech wooden shelves
Smart touch screen control with LED / LCD display
Temperature memory / Soft interior LED light
Door open alarm / Bottom plinth ventilation
Reversible door / Activated charcoal filter

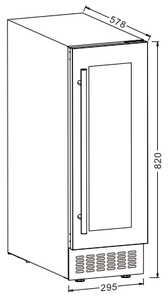

**Dimension**

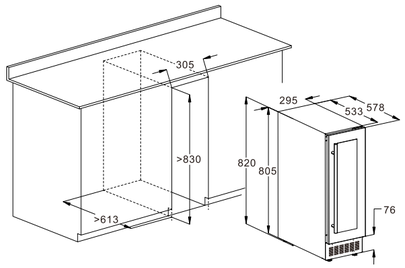

Unit dimension (WxDxH): 295x578x820 or 870mm
Pack dimension (WxDxH): 332x625x863 or 910mm
20'/40'/40'HC: 144/305/399pcs

## JC-85A

**Features**

Net Capacity: 85L
Built-in or Free-standing installation
Single temperature zone / Fan cooling
Temperature range: 5-20°C(41-68°F)
Hold 31 bottles
Stainless steel / Black glass door frame / Grip handle
5+1 Beech wooden shelves / Sliding roll out
Smart touch screen control with LED / LCD display
Temperature memory / Soft interior LED light
Door open alarm / Bottom plinth ventilation
Reversible door / Activated charcoal filter

**Dimension**

Unit dimensions (WxDxH): 380x578x820 or 870mm
Pack dimensions (WxDxH): 435x625x863 or 910mm
20'/40'/40'HC: 108/229/285pcs

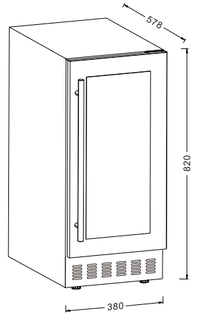

## JC-85B

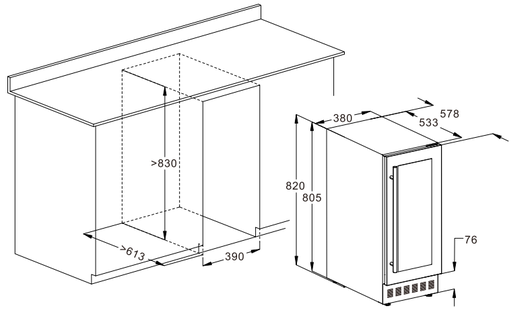

**Features**

Net Capacity: 85L
Built-in or Free-standing installation
Dual temperature zone / Fan cooling
Temperature range: 5-12°C(41-54°F) /12-20°C(54-68°F)
Hold 28 bottles
Stainless steel / Black glass door frame / Grip handle
5+1 Beech wooden shelves / Sliding roll out
Smart touch screen control with LED / LCD display
Temperature memory / Soft interior LED light
Door open alarm / Bottom plinth ventilation
Reversible door / Activated charcoal filter

**Dimension**

Unit dimensions (WxDxH): 380x578x820 or 870mm
Pack dimensions (WxDxH): 435x625x863 or 910mm
